

Metropolitan Workshop are looking for experienced **Architects & Senior Architects** to join its friendly design-led architecture studio in London.

## **Architect & Senior Architect**

We are currently welcoming applications from talented people, ideally with experience in the residential sector.

Successful candidates will demonstrate some or all of the following:

- 5 years post-qualified experience (Senior Architect)
- Proven UK residential experience
- Job running experience (ideally large residential schemes 200 – 900 homes) (Senior Architect)
- Strong design and graphic skills
- MicroStation experience or ability to transfer existing CAD skills
- Revit experience desirable
- Working knowledge of the Adobe Creative Suite
- Confident written and verbal communication skills

Metropolitan Workshop are an award-winning design lead practice, stimulating to work for and engaging to work with.

### **About us**

We strive to become one of the most trusted, original and responsible voices for architecture and urbanism. Stimulating to work for and engaging to work with.

Our studio culture is open minded; we listen to better understand, we share our knowledge collegially, we cherish the value of genuine collaboration.

Our endeavours are underpinned by a rigorous approach and coherent dialogue, so that everything we do is thoughtful, and particular.

Our passion is for improving the lives of ordinary people, with open, flexible and stimulating buildings and places, fostering community and encouraging social sustainability.

We engage creatively with end users and the context, to create tailored and enduring places.

We untangle the knots to make the ordinary extraordinary.

We reflect on what we have helped to create to learn lessons for the future.

Salary is dependent on experience.

Metropolitan Workshop is an equal opportunities employer.
