

Architectural Technologist
London, UK

Metropolitan Workshop are looking for a Architectural Technologist to join its friendly design-led architecture studio in Farringdon, London. We are currently welcoming applications from talented people, ideally with experience in the residential sector. Successful candidates will demonstrate the following:

- 3 years post-qualified experience
- Proven UK residential experience in delivery (RIBA work stages 4&5)
- MicroStation experience or ability to transfer existing CAD skills
- Essential Revit experience – preferred minimum 2 years

Salary is dependent on experience.

Metropolitan Workshop is an equal opportunities employer.

Please send your CV, covering letter and examples of work in PDF format (maximum 10MB) to recruitment@metwork.co.uk

No agencies please.
