

Job Description

Job Title: BIM Coordinator

Location: Dublin City

Type: Full-Time, Permanent

Metropolitan Workshop is seeking a skilled and detail-oriented **BIM Coordinator** to join our dynamic team in Dublin City. The successful candidate will play a key role in the design, coordination, and delivery of various projects across residential and educational sectors. This is an excellent opportunity to work in a collaborative environment, utilizing cutting-edge technology and contributing to high-profile projects.

Responsibilities:

- Develop and manage Building Information Models (BIM) using Revit and other BIM software.
- Produce detailed 3D models, drawings, and technical documentation from design concepts.
- Collaborate with architects, engineers, and contractors to ensure coordinated and clash-free designs.
- Support the BIM Manager in developing BIM execution plans and project-specific workflows.
- Maintain and update BIM models throughout project lifecycles.
- Conduct clash detection and resolve coordination issues using Navisworks or similar tools.
- Ensure models and drawings adhere to company standards, client requirements, and industry best practices.
- Participate in project meetings and provide technical support on BIM-related matters.
- Assist in the development of BIM libraries and templates.
- Stay up to date with emerging technologies and industry trends.

Requirements:

- Relevant qualifications in Architectural Technology, Engineering, or related field.

- Minimum of 2-3 years' experience working as a BIM Technician or similar role.
- Proficiency in Revit, AutoCAD, and Navisworks is essential.
- Experience with Dynamo, BIM 360, and other BIM-related software is advantageous (not mandatory).
- Excellent communication and collaboration skills.
- Ability to manage multiple projects and meet deadlines.
- High level of attention to detail and problem-solving abilities.

Benefits:

- Competitive salary based on experience.
- Hybrid working options.
- Career development and training opportunities.
- Collaborative and supportive work environment.
- Involvement in high-profile projects across various sectors.

If you are a passionate BIM Coordinator looking to advance your career in a forward-thinking company, we would love to hear from you.
