

Senior Architect

Dublin, Ireland

Metropolitan Workshop is an award winning design lead practice. Stimulating to work for and engaging to work with. We are seeking a senior architect to join our growing Dublin Studio to work with an experienced team on a range of exciting public and private housing and urban design projects.

We have a studio culture – in London and Dublin – that is open minded; we listen to better understand, we share our knowledge collegially, we cherish and value genuine collaboration. The work we do is underpinned by a rigorous approach and coherent dialogue, to create something that is thoughtful, creative, engaging and particular. Our aim is to engage creatively with end users and the context, to create tailored and enduring places.

Job Description:

- As Senior Architects, individuals will be expected to have the following attributes:
- 5-10 years post qualification experience (RIAI register or equivalent)
- Excellent design and technical skills
- Work collaboratively with technical consultants, project managers, engineers and other stakeholders
- Experience in housing an advantage
- Experience with Irish planning and Building Control an advantage
- Ideally with experience as Employer's Representative on Public Works Contracts
- Be capable of motivating and managing a team of up to 5 people.
- Excellent communication skills (with fluent spoken and written English)
- Experience with REVIT / MicroStation /Photoshop /InDesign preferred

Salary is dependent on experience.

Metropolitan Workshop is an equal opportunities employer.
